THE EVER-EXPANDING SKY, LIT BY COUNT-LESS STARS.
IT'S KIND OF SCARY.
THERES A LOT OF STARS...
HOWEVER, I DON'T THINK IT'S THE STARS' FAULT.
AH, IT'S LANDED...

On this planet
we fall in love
to become adults.
IS IT MERELY A COINCIDENCE FOR HUMANITY TO BE BORN ON THIS PLANET?

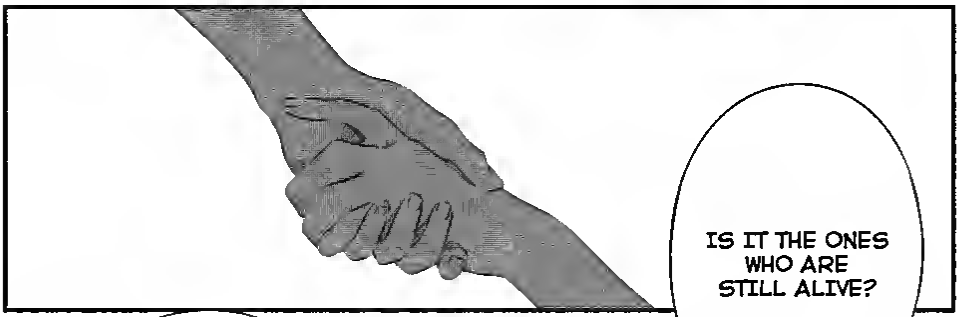
IT'S SO PEACEFUL.
AS IF THE WAR LONG AGO, WHICH KILLED SO MANY PEOPLE, HAD NOT HAPPENED.
THE PEOPLE IN THE PAST MUST HAVE BEEN MISERABLE...

WHO WAS AT WAR, AND WITH WHOM?
I DON'T KNOW.

SO, WHO WON THAT WAR?



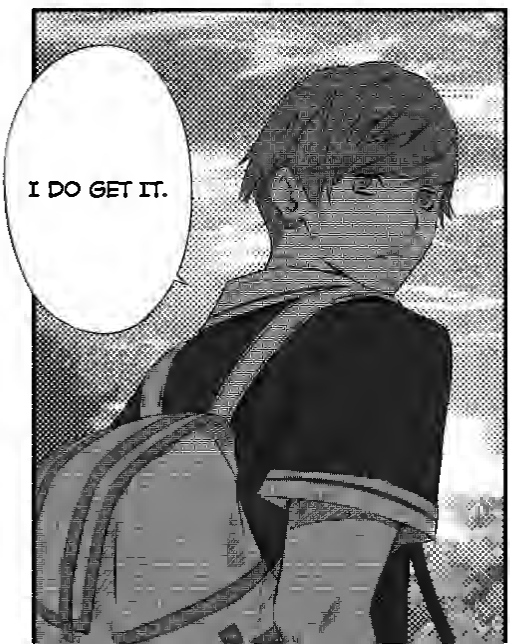
IS IT THE ONES WHO ARE STILL ALIVE?

25

THAT MEANS WE'RE THE ONES WHO WON.

WE'RE DIFFERENT THAN THOSE STUPID ADULTS.

AS THE ONLY ONES WHO STILL REMAIN, IT IS OUR TURN TO CREATE A NEW WORLD.



I DO GET IT.

YOU GET IT?
"CREATE"... BUT HOW?
